

Meeting 04/02/2014

Delivered

- the new exchange voucher interface.

Demand

- Finish the new exchange voucher interface by next week; **DONE**
- starting to use the real date from the first of march.(1 month before the end of the term);
- Implement the “contra cheque” of the voucher to give it to the client when the voucher is issued;
- The ctrl+click my not work in an tablet, test and figure out how to solve it. **PERFECT**
- in the creation of voucher, edit some texts :

- Would you like to exchange this voucher
  - Now?
  - Nature of Need
- If other, please specify.  
choose more than one.

The system is allowing and returning a mistake if there is no location attached to the exchanged voucher - to be fixed
