

## Meeting 12.11.2013

### Topics

- Design changes
    - Item income
  - Integration with two systems
- Result:
- Identify where the parcels are going
  - Able the system to unpack a parcel
  - Give out parcels
  - Sync the new data base
  - Could integrate the two websites in the same server
  - System admin can register volunteers
    - Volunteer coordinator can register but is unable to change administrator rights
  - Create the System admin login to integrate with the new system.
